A screenshot of a web browser window. The title bar at the top says "A Web Page". In the top right corner, there is a placeholder for a company logo, represented by a rectangle with an 'X' and the text "Company Logo". The main content area shows two sequential alert messages. The first message is a box containing the text "You have Approved Purchase Request No xyz123" and an "OK" button. The second message is a box containing the text "You have rejected purchase Request No xyz123" and an "OK" button. The browser's address bar and other interface elements are not visible.

Approval system must ensure threshold limit of Approver

The diagram illustrates a sequence of four vertical rectangles, each representing a step in a process. The first rectangle is labeled "Parameters". The second rectangle is labeled "Vendor 1" and has a "Select Vendor" label above it with a small square icon. The third rectangle is labeled "Vendor 2" and has a "Select Vendor" label above it with a small square icon. The fourth rectangle is labeled "Vendor 3" and has a "Select Vendor" label above it with a small square icon.
